PODIAGESIC™

FOOT PAIN RELIEF ROLL-ON

FAST ACTING PAIN RELIEF

Individuals are spending more hours on the go these days and there is an unmet need for a convenient foot pain relief product. PODIAGESIC is packaged in a small easy to carry applicator. PODIAGESIC provides fast pain relief associated with arthritis, sore foot muscles after long hours on the golf course, work, running, walking, trade shows and countless other related issues. That is why Orthopedic Pharmaceuticals is offering the 3 oz. roll-on pain relief product for the feet.

FDA approved PODIAGESIC Foot Pain Relief.
